BAR & BEVERAGES

DRINK TICKETS

We would also be able to offer you drink tickets which you would distribute to your guests.

The cost of these drink tickets would be determined by what type of drinks you would like to offer your guests.

BAR PACKAGES

Our bar packages start at \$12 per/person per/hour with a 2 hour minimum required. This is an open bar package and includes house cocktails, house wine and draft beer.

Please note that this package is best suited to larger bookings and a \$1500 minimum spend requirement in food is required to avail of this package.

DESIGNATED BAR SPEND

Please keep in mind that we would be delighted to offer you an open bar package up to and including a \$ cap of your choosing - ie. you would determine what you are comfortable spending on drinks for your guests. When this \$ cap is reached your guests would then be responsible for the purchase of their own drinks.

If you would like to provide drinks for your guests and have a budget in mind, please let me know and I will customize a bar package with your budget in mind.

CASH BAR

We are also happy to arrange that all of your guests will be responsible for the purchase of their own drinks.

We do not require you to purchase a bar package.
